

LB 71  
(Start of Belt #6)

with going through this city or between two cities or between two, that's all it applies to. Is there any other questions.

SPEAKER: The chair recognizes Senator Simpson, then Senator Duis.

SENATOR SIMPSON: Mr. President, I would like to ask Senator Goodrich a question if he'd yield.

SENATOR GOODRICH: Yes.

SPEAKER: Go ahead.

SENATOR SIMPSON: In line 1, you've struck "the City Council" and included "the governing body". Would it not be proper, also, then to do that in Line 7?

SENATOR GOODRICH: It wouldn't change the meaning a bit as far as the bill..original bill is concerned. I would have no objection to that. It would be a little more of a smooth way of handling it throughout the bill. I would concur in that we could change that, "city"...the first two words in line 7 to "governing board" or governing body", either way you wanted to say it. Let's see what the first one said.

SPEAKER: Senator Simpson.

SENATOR SIMPSON: I'll send the amendment up. I would move the adoption of the amendment changed from "city council" to "governing body", in line 7.

SENATOR GOODRICH: It says "governing body" in the committee amendment, so let's use those words.

SPEAKER: All right. While the amendment is coming in, Senator Duis, do you care to be recognized?

SENATOR DUIS: Yes, to point a personal privilege.

SPEAKER: State your point, Senator.

SENATOR DUIS: On my desk just again, I have something I can't figure out and I don't even know where it came from. I wonder if someone would explain to us. This is not initialed, again and it has something to do with Legislative Council appropriations and expenditures and I'm mean somebody is going to have to really explain this. I don't know..who sent it out? Couldn't read it. Thank you so much, Senator Nore. Would you get together with me. I want to figure this one out.

SPEAKER: Well, Senator Nore, can't do it. We have an amendment under discussion here now. Senator Simpson, do we have your amendment up here on the desk? OK. The clerk will read the amendment and this is what is under discussion at this time. Attention please to the amendment to LB 71 by Senator Simpson.

CLERK: Read.

SPEAKER: Any further discussion of that motion? The question is shall the amendment then...Senator Simpson, do you have anything more to say about it? Senator Goodrich, you are up on your feet. Do you want to talk anymore about that. Thank you. The question is shall the amendment be adopted. All those in favor of that amendment, please say aye. Those opposed say no. So ordered. The amendment is adopted. Now, back to you Senator Goodrich.

SENATOR GOODRICH: Mr. President, I move that the bill be advanced to E & R Initial.

SPEAKER: All right. Now, stand by. Senator Dickinson, your light is on. Do you..he is not in his chair. That's no problem. Senator Nore, do you wish to speak on this bill?
